

***Rejoicing, Reunion, Renewal***  
**Parish Events to Welcome the Reverend Nick Myers  
to the Parish of the Epiphany**

Getting to know someone new is both exciting and a bit of a challenge, especially in this time! Your Rector Transition Committee has developed a variety of events to give Fr. Nick, and the community, a boost in getting to know each other. Watch Epiphany's newsletters and the [www.3crowns.org](http://www.3crowns.org) for further information.

Expect this schedule to evolve, as we find that some gatherings are especially popular, and we decide to repeat them. You will see that some events are targeted at certain age groups. Finally, note that many events are intentionally limited in scale and have sign-ups -- both to encourage engagement and to ensure that we stay in compliance with Covid requirements. Have fun and let us know what you think [here](#).
